Each piece of furniture is handmade and unique. Deviations to the listed measurements may be caused by:  
 1. different upholstery materials (fabric, leather), 2. processing of ticking mats, 3. the pressure to combine individual parts, etc.  
 The seat comfort of a sofa type with larger seat depth usually differs from one with lower depth.

Keep all documents relating to the purchase of your furniture carefully, even beyond the legal warranty period of 2 years. You will find all important information in your product folder and also on our website [www.bullfrog-design.com](http://www.bullfrog-design.com)
